In addition the Renter has to give the vehicle back - except for the normal attrition - clean and in the same condition as it was given to the Renter. The scooter's cleaning fee is 1000 HUF. If the Renter gives the scooter back at the given time in the same condition as it was at the time of the takeover then there is no further cost and responsibility to the Renter.

The compulsory insurance is the Lessor's responsibility but it is the Renter's cost if something happens with the scooter by own or someone else's fault while the contract is valid. (harm, stealing attempt, etc.) The Renter absorbs the cost of any harm that has occurred by the Renter, or if the vehicle can not be fixed, then the Renter pays the scooter's whole price which is 150.000 HUF. The Renter has to pay it in cash or through transaction if stealing or total waste occurs. If the harm comes with financial waste then the Renter must request the police - independently of the responsibility - and show a justifying form about the matter to the Lessor. The Renter only has to pay for the replaceable components if self-caused harm occurs. The Lessor pays the costs of the repairing.

The Renter guarantees that beside the time that the scooter is in use, the scooter will be stored in a safe place and takes the full financial responsibility which comes from any harm because of stealing. The Lessor does not guarantee to reimburse any harm that comes from the scooter's breakdown. Furthermore the Lessor shall not be obliged to pay back the surplus of the fuel, conversely if the Renter gives back the scooter without the right amount of fuel, then the the Renter is obliged to pay the missing amount of fuel.
